REG NO:261/GOA/2015

The exhibition is targeted and promoted by CDFG for B2C and B2B for entire 3 days from 10am to 9pm. The Expo is intended to provide impetus to business and market latest technologies and at the same time promote a healthy and prosperous Digital India movement.

We welcome your esteemed organization to confirm your participation by **31st August 2019** and offer us your presence in showcasing, promoting, enlightening and marketing your products / services in line with our EXPO event.

The objectives of the EXPO are to -

- Conduct Information Technology shows comprising of display of latest technology products by IT companies in the best class aluminium/fibre cubicles at the Art Gallery
- Showcase technology to educate and enlighten the visitors
- Promote skill development and employment opportunities
- Enhance interest in entrepreneurship
- Act as a catalyst in the growth of business

We are providing the facility of a Mini Theatre too -

- To conduct talk shows
- To have masterclass sessions and IT Quiz competitions
- To have talent hunt competitions and promote cultural IT-Tainment

REG NO:261/GOA/2015

The Expo will have the potential -

- To attract approximately 15 thousand footfalls
- To have presence of Government dignitaries and eminent personalities to grace the occasion.
- Promotion of 100+ brands
- Students and Faculties of educational institutions to draw inspiration
- Participation by members of the public in large numbers enjoy and celebrate the event
- Expected 1000 plus Dealers / Service Providers in line with the Exhibited Products from the state of Goa and other states of India.
- Generate handsome amount of product leads

The Art Gallery will be equipped with stalls of attractively large dimensions at very reasonable rates. The gallery also includes attractive spots, Foyeur areas, pillars for standees, posters and product display. The rates of stalls are in the range of 25K to 80K.
